## **YOUR RIGHTS AS A PATIENT/CLIENT**

Dr. Kate Marshall is a licensed psychologist in the State of Colorado, License #795. She graduated from the University of Colorado in Boulder, with a masters and Ph.D. in Clinical Psychology, trained in a year long clinical internship and received two years (2,000 supervised clinical hours) post internship after which she was granted her license in January, 1983.

The practice of licensed or registered persons in the field of psychotherapy is regulated by the Mental Health Licensing Section of the Division of Registrations. The Board of Psychologist Examiners can be reached at 1560 Broadway, Suite 1350, Denver, Colorado 80202, (303) 894-7800. As to the regulatory requirements applicable to mental health professionals: a Licensed Clinical Social Worker, a Licensed Marriage and Family Therapist, and a Licensed Professional Counselor must hold a masters degree in their profession and have two years of post-masters supervision. A Licensed Psychologist must hold a doctorate degree in psychology and have one year of post-doctoral supervision. A Licensed Social Worker must hold a masters degree in social work. A Psychologist Candidate, a Marriage and Family Therapist Candidate, and a Licensed Professional Counselor Candidate must hold the necessary licensing degree and be in the process of completing the required supervision for licensure. A Certified Addiction Counselor I (CAC I) must be a high school graduate, and complete required training hours and 1000 hours of supervised experience. A CAC II must complete additional required training hours and 2,000 hours of supervised experience. A CAC III must have a bachelors degree in behavioral health, and complete additional required training hours and 2,000 hours of supervised experience. A Licensed Addiction Counselor must have a clinical masters degree and meet the CAC III requirements.

A Registered Psychotherapist is registered the State Board of Registered Psychotherapists, is not licensed or certified, and no degree, training or experience is required.

You are entitled to receive information about Dr. Marshall's methods of therapy, or consultation, the techniques used, the duration of therapy, if known, and the fee structure. You may seek a second opinion from another therapist or may terminate therapy at any time, allowing a final session in person.

Sexual contact between patient and therapist is not part of **any recognized** therapy or consultation. Sexual intimacy between client/patient and therapist is illegal in Colorado and should be reported to the board that licenses, registers, or certifies the licensee, registrant or certificate holder.

You should understand that generally speaking, information provided by you during therapy is legally confidential in the case of psychologists, and cannot be released without the client's consent. There are exceptions that can be discussed and will be identified should any such situation arise during therapy. **These include indications of child physical or sexual abuse or to prevent a person from being a danger themselves or others. Dr. Marshall is legally bound to report such instances to the appropriate authorities. These exceptions are listed in the Colorado legal code (see section 12-43-218, C.R.S. (1988), in particular). You should be aware that, except in the case of information given to a licensed psychologist, legal confidentiality does not apply in a criminal or delinquency proceeding.**

I have been informed of my therapist's degrees, credentials and licenses. I have also read the preceding information and understand my rights as a patient.
